Staff Directory

Welcome to the Khazar University Library & Information Center (LIC)!

LIC provides myriad services, technologies, and spaces central to and in support of the educational mission of the Khazar University.

Top Ten Things to Know About Your Library:

10. Take the [video](#) tour – it's filled with various resources and spaces!
9. Your Khazar University ID card is your library card. Use it to check out books, DVDs and other materials from the Library.
8. The Library is open 61 hours a week, including Saturday.
7. Readings assigned for your classes will be placed on electronic Course Reserves, available 24/7!
6. You are responsible for ensuring that he or she uses electronic products solely for noncommercial, educational, scholarly or research use.

Information on borrowing, inter-library loans, regulations and periodicals
can all be viewed from library website

<http://khazar.org/en/item/1312>

What is an 'Electronic Library Resource'?

Any library or information resource that can be accessed via computer, e.g.

- Electronic books.*
- Electronic journals.*
- Scholarly databases.*
- Dictionaries, encyclopedias, economic data.*
- Information gateways.*
- The Internet.*

Also reports, magazines, grey literature.

Aims of Information Services

The primary aims of Information Services:

- ❑ *to support the learning, teaching and research activities.*
- ❑ *to keep the university community informed of the library`s services and possibilities.*
- ❑ *to develop direct communication between the library and the academic departments.*

Information Services

❑ **Electronic Information Services** provides IT and Library services to Khazar University's students and staff.

- ❑ Research resources.
- ❑ Learning materials embedded into DSpace & Moodle.
- ❑ Help, advice and training on accessing these resources and applying technologies.

The Best Free Research Search Engine

1. [Google Scholar](#) (peer-reviewed papers, theses, books, abstracts and articles from academic publishers, professional societies, preprint repositories, etc);
2. [Google Books](#) (thousands of books, from popular titles to old);
3. [Microsoft Academic](#) (content from over 120 million publications, including scientific papers, conferences and journals);
4. [Worldwide Science](#) - The Global Science Gateway;
5. [Science.gov](#) (over 60 databases, over 2,200 websites and 200 million pages of journals);
6. [Wolfram Alpha](#) (A self-described “computational knowledge engine”);
7. [Refseek](#) (over one billion web pages, encyclopedias, journals and books);
8. [Educational Resources Information Center](#) (more than 1.3 million bibliographic records of articles and online materials);
9. [Virtual Learning Resources Center](#) (thousands of scholarly websites);
10. [iSeek](#) (help to find exactly what you are looking for);
11. [ResearchGate](#) (a unique social networking site for scientists and researchers);
12. [BASE](#) (Bielefeld Academic Search Engine) search engines especially for academic web resources
13. [Infotopia](#) “Google-alternative safe search engine”;
14. [PubMed Central](#) (perfect for those studying anything related to healthcare or science);
15. [Lexis Web](#) (researching legal topics).

ONLINE CATALOG

The screenshot shows the Khazar University Online Catalog interface. At the top, there is a navigation bar with the university name and user information (Tatyana Zaytseva). Below this is a menu with options like Home, Dashboard, Catalog, Circulation, Reports, Back Office, and My Info. A 'Library Search' section is highlighted in green. On the left, there is a sidebar with various search and management options. The main content area features a search bar with a 'Find' label and a 'Reset All' button. Below the search bar are five icons for different search criteria: Keyword, Title, Author, Subject, and Series. A 'Narrow your search to...' section contains three dropdown menus for Location (Khazar University), Material Type (Any Type), and Sublocation (Unlimited). A 'Show Less' button is also present.

Capacity Development Strategies in Knowledge and Learning in a Country with Transition Economy: The Azerbaijani Case

UNDP Global Event:
"Capacity Development Strategies: Let the Evidence Speak"
Madrid, Spain, 27-29 November 2006

Hamlet Isaxanli
(Khazar University, Baku, Azerbaijan)

Sustainable development of individuals, institutions and the society at large is based on lifelong education and training. In particular, an institution's success in its own field of study directly depends on its high-level organizational and institutional culture, which is basically a result of education and training. Low-level education is also a big obstacle on poverty reduction, because it leads to low income level. Poverty of parents, in its turn, makes

AVOID PLAGIARISM

- ❑ *Give credit to those whose works you use in your research paper.*
- ❑ *Cite references within research paper.*
- ❑ *List cited references on Reference or Bibliography page.*
- ❑ *Consult style manual as guide to citing references.*
- ❑ *Consult course instructor for recommended style manual.*
- ❑ *See Citation and Writing Style Guides on library's Web page*

<http://khazar.org/en/item/1352>

Guides on the Library webpage and Social networking

LIC provides several user guides:

- Helping users become familiar with the library's services, resources and facilities;
- Providing tips on advanced searching:
 - How to find ...How to search...How to cite...;
 - How to access library databases outside the campus network;
 - How to reserve a group study room (in the nearest future);
- [Facebook](#) and Twitter account accessed from the Library webpage.

Summary

- LIC provides access to a variety of services and resources to assist with your information seeking needs.
- Online catalog used to find books.
- Check out materials, including reserves, from Circulation desk.
- Electronic Resources used to find journals, magazines newspapers, and E-books.
- Style manuals can provide guidance on avoiding plagiarism and on citing references.
- Course instructor should be consulted for recommended style manual.
