In memory of Nailexanim Isayeva!

We experienced an irreplaceable loss on 3rd of April 2021.

The beloved of our immediate and extended family, of Dunya School and Khazar University, of Azerbaijan's educational circles and intellectual society, co-founder of Dunya School and Khazar University, Nailexanim Isayeva passed away on this day.

Nailexanim's many friends and acquaintances from Azerbaijan and around the world, including Europe, Asia, America, Africa and Australia, well-known personalities and ordinary people, have contacted me to express their deeply felt condolences. I am grateful to everyone who shares our grief.

Nailexanim was charming, kind, caring, energetic and a beautiful human; a mother, wife, grandmother, colleague and a friend.

Nailexanim was well-known as an expert teacher, skilful educational administrator, talented musician, and a person of impeccable taste and culture.

Nailexanim will always live in the hearts of those who knew her.

In order to commemorate Nailexanim's dazzling presence and irreplaceable work for future generations and to preserve her precious memory, Khazar University's Board of Directors and Trustees have decided to implement the following:

1. To establish a **Nailexanim Foundation** and the **Nailexanim Scholarship** for gifted females to enable them to enter higher education. The Foundation will be financed by Khazar University and Nailexanim's family and friends.
2. To prepare a **Commemorative Book** with contributions from Nailexanim's friends and colleagues.
3. To prepare a **Photo Book** reflecting Nailexanim's life and endeavours.

4. To prepare a **Book of Music** to include piano and orchestral sheet music and vocals of Nailexanim's compositions.
5. To prepare a **Musical Album**, featuring a collection of Nailexanim's songs performed by well-known singers and groups. To make this available via YouTube and other channels.
6. To gather a collection of existing **video materials** reflecting Nailexanim's life and achievements and create new films.
7. To establish a **Nailexanim Museum** at Dunya School.
8. To place a **bust sculpture** of Nailexanim at Dunya School.
9. To rename Khazar University Cultural Centre as **Nailexanim Cultural Centre**; to create a **Nailexanim Corner** within the centre by placing her bust there.

In order to fulfil these tasks, responsible people are to be appointed, working groups and implementation mechanisms to be created.
